## President's Message

### BFAA Alive and Well After 50 Years

This year marks the 50<sup>th</sup> Anniversary of the Burlington Fine Arts Association. That's a very long time for any type of organization to exist. Microsoft and Apple and Justin Trudeau were not even thoughts in peoples' minds when it all started. On the other hand, it is not surprising since humans have been making art for 80,000 years if not longer. Art has been produced long before civilizations, societies, cities and writing began. The reasons for this have been debated by philosophers for centuries, yet making art seems to be innate; a part of what it is to be human.

This year will be a busy one for the BFAA. In the next six months there are 3 BFAA shows you can become involved with. Please pay close attention to all the dates and timelines you will see in the coming weeks via the newsletter and e-mails. The important dates and timelines of the three shows overlap each other, and have changed significantly this year.

This year your submissions for the All Guild Show will be brought to the Art Gallery on March 3 and March 4. You are allowed 2 paintings each up to 48" in size. The works will be judged on the afternoon of March 4 and at 6:30 pm the juror will be available to discuss his process in picking the pieces for the show. All paintings then must be taken home, including those that are accepted for the show. The accepted pieces will be brought back to the AGB in April for hanging. The reason for this is to allow us to photograph all the works that have been accepted for inclusion in the catalogue for the all guild show which will be

## President's Message, cont'd

ready for the show opening reception on Friday April 22 from 5-7pm. At this time the awards for the Kaleidoscope show will also be handed out.

This year's Kaleidoscope show coincides with the first weekend of the All Guild Show, on April 23 and 24. This year all BFAA guild members will be able to submit **one** painting which is **exactly 12" x 12"**. Paintings should be on gallery size stretched canvas. Works that need to be framed, such as watercolours and pastels must also be **12" x 12" including the frame**. It is important that all works are exactly the same size as we will be hanging all these works together in a grid type pattern.

All 6 of the Guilds that make the AGB their home have worked hard at improving these shows and that is reflected in some of the changes this year.

Of course there is our 50<sup>th</sup> Anniversary show in June. Note that everyone who has been accepted in this show must have their work ready by Feb 29. These will all be photographed between March 1 and March 15. You will be notified with details soon.

## Art Appreciation

### Art in the Maritimes and Newfoundland: Is it the sea air?

It has been said that the Maritimers are the most creative people in Canada! The four provinces have a rich heritage of folk art and a new 20<sup>th</sup> Century focus on the high realism of Alex Coleville, David Blackwood and Christopher Pratt. Women artists Anne Meredith Barry, Molly Bobak and Mary Pratt play a key role in art in the art of maritimes.

As New Brunswick artist Miller Brittain wrote, "a picture ought to emerge from the midst of life."

Come join us and see how the artists who lived by the sea reflect that thought.
