...See more information

- Not to be confused with encaustic; combining cold wax with oils requires no heat! Experience the properties and the layering that is possible with this medium.
- Working from photos students will learn how to abstract the human form and create brilliant, abstracted landscapes based on the principles and elements of design.
- Instruction is suitable for all skill levels.

Bio

Stephanie is an established multi-Disciplinary visual artist with over 40 years of experience, in the areas of Fashion Illustration, Liturgical design, Textile art and Figurative painting. She is a member of the Portrait Society of Canada, Ontario Society of Artists, and the Society of Canadian Artists.

Stephanie has over 25 years of experience teaching in the visual arts.

Her ability as a multi-disciplinary artist enables her to focus more on leading and fostering, whether private, group, portfolio building, co-creating for teachers or corporations; imagination & self-expression in her workshops.

She is most recently the recipient of the 2023 Marty Award for Established Artist -Tradition Form, and the Civic Award of Recognition from the city of Mississauga, for her community service in the Arts.
