

## BFAA Volunteer Benefits

As a way to say "thank you" to our many volunteers who make the BFAA a successful and thriving guild, the executive has come up with a number of benefits for you to choose from, depending on the number of hours you have worked.

Please confirm your hours with Susan Dzida and scroll down to your level of hours to see the benefits available.

Make your choice and e-mail it to [BFAAHours@gmail.com](mailto:BFAAHours@gmail.com) with subject: "Volunteer benefits".
